Dear Mr. Crompton,

Since receiving your last letter, I have done some leg-work resulting in the following. Saturday, April 7th is acceptable to the University and orselves. The requirements for meeting rooms and housing can be met, and the feeding problem as well (more definite negotiations with those in charge of the University dining halls remains).

I agree that enough details should be ironed out to be able to give early notice of the convention. To facilitate matters, let me suggest a trip to New Haven anytime before December 16th (our vacation begins). I would be more than happy to make any arrangements necessary, including complimentary meals and board. In lieu of this, I will be in New York between the 16th and 20th of December. After that time unfortunately, I will be on the move until January 4th. I hope that something can be worked out along the above lines. Hoping to hear from you soon.

Sincerely,

Aaron Etra  
Chairman
